**Title:**Demand of CBI inquiry regarding withdrawn of work already done by MPCL and given to the private sector and need to provide salary to the employees of MPCL.

SHRI SUNIL KHAN (DURGAPUR): Thank you, Mr. Chairman for giving me an opportunity to speak. I would like to draw the attention of the House as well as the attention of the Ministry of Water Resources to a matter of very great December as they are not getting salary for nearly seventeen to twenty months. The deterioration in the condition of the Company started in 1990 onwards due to gross mismanagement, massive corruption and because of not bagging any orders. As a result, the condition of the Company has deteriorated to such an extent that about 2,000 employees posted at remote sites have not been paid even their legitimate monthly salaries, besides being denied other statutory dues, such as bonus and ex-gratia for the period 1994-95, 1995-96, 1996-97 and
